# About this resource...

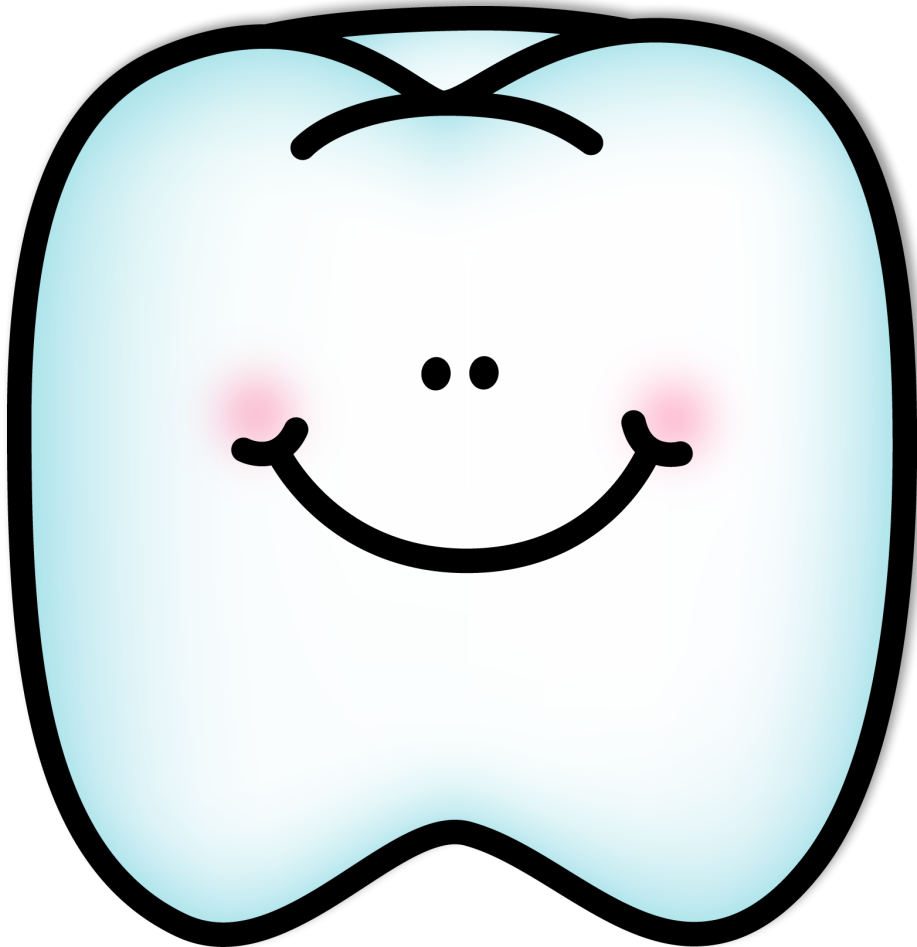

This activity is designed to help students recognize foods that are healthy and not healthy for their teeth. A sorting mat, picture cards, and a follow up recording sheet are included.

To prepare this activity print, cut, and laminate the sorting mats and picture cards. Print the recording sheet.

Students will use the sorting mat to sort the foods that are good for their teeth and bad for their teeth. They will color the pictures on the recording page to show their work.

**GOOD**  
for my teeth.
