# About this Resource...

This activity was designed to be a fun, hands-on way for students to practice matching colors and color words. It makes a great independent activity or partner game.

No recording sheets are needed so students can use these as morning tub activities, centers, early finishers, indoor recess, or just for fun.

The mats are easy to prep. Just print on cardstock and laminate for durability (or slide in a page protector). Students will need a dot cube and color corresponding plastic cubes.

**Activity Directions:** Students will roll a dot cube and identify the color. They will cover a space on the activity mat to match the color. They will continue to play until all of the spaces are covered. You can use this as a partner game. Students take turns and the first player to complete their picture wins.

**This freebie is a sample of the activities that can be found in [Roll and Match the Colors](#).** The full resource includes 80 mats, with two options included: color matching (40 mats) and color words (40 mats). Eight year-round themes included: clothing, food, monsters, pets, pirates, outer space, sports, and transportation. Each theme has five activity mats.
