End of the Year Games

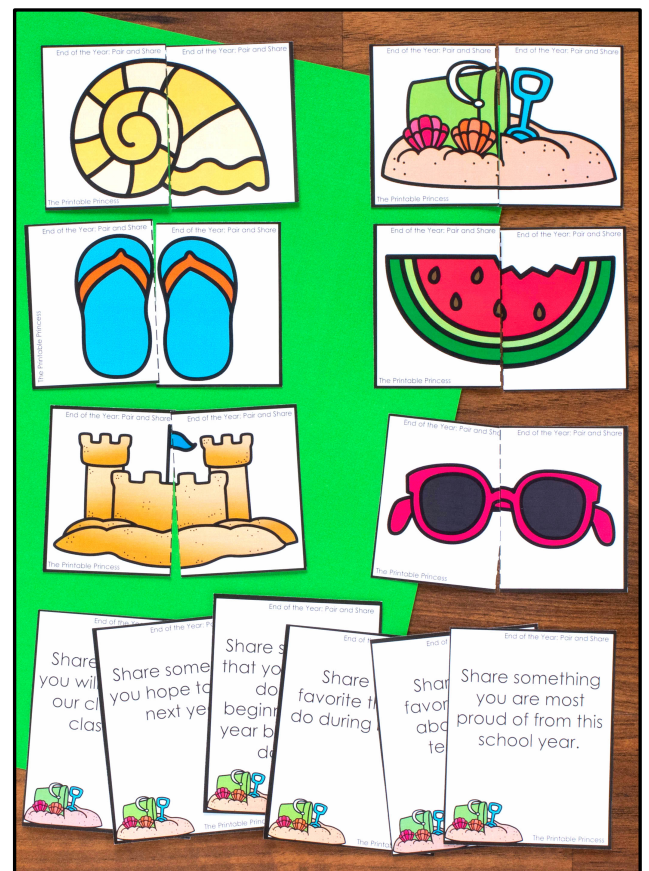

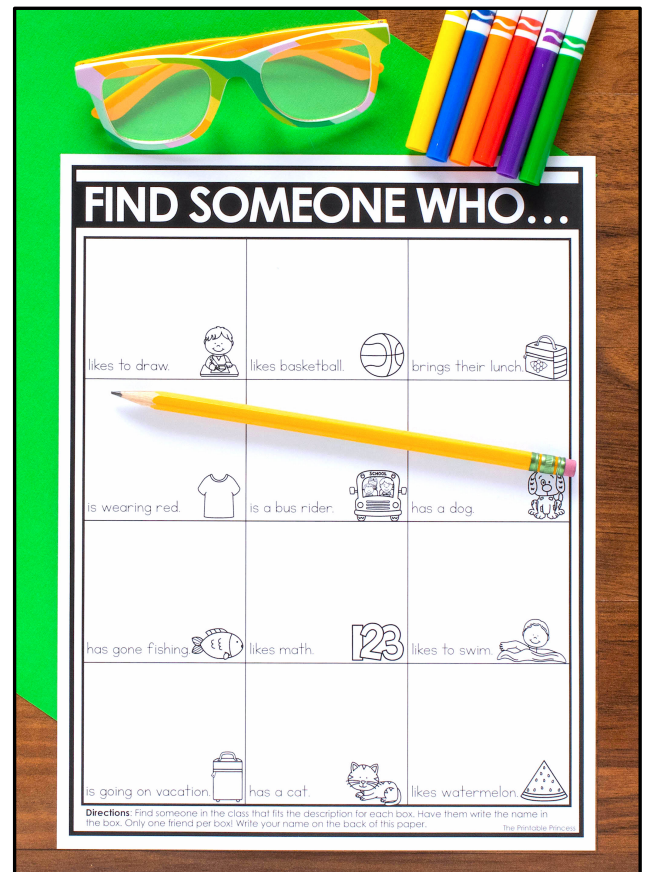

To prepare the activity "Find Someone Who..." simply print a class set. Read each space with the class and draw attention to the picture cues.

Students will circulate the room and find someone that fits each description. The classmate will write their name in the space. Students can only use each classmate once.

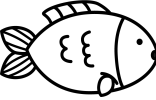

To prepare the "Pair and Share" activity, print, laminate, and cut apart the partner matching cards and teacher question cards. Mix up the partner cards, turn them face down, and pass one out to each student.

Students will find the classmate that has the matching partner card. Select a question card and read it to the class. Students turn to their partner and answer the question.

To play again, have students turn the cards face down. Students will circulate the room for a set amount of time then trade cards with the nearest classmate (cards are still face down) and begin the activity again.
