

# APPLE ALPHABET MATS

Created by The Printable Princess

# About this Resource...

This free download is a great addition to your kindergarten literacy centers during apple week. There are two mats included: letters and beginning sounds.

To prepare this activity, print the mats on cardstock. For durability, laminate the mats or slide them in a page protector. Students will need a set of A-Z magnetic letters for this activity. You can use uppercase or lowercase letters to differentiate this activity.

Along with literacy centers, this is perfect for morning tubs or a fast finisher activity.

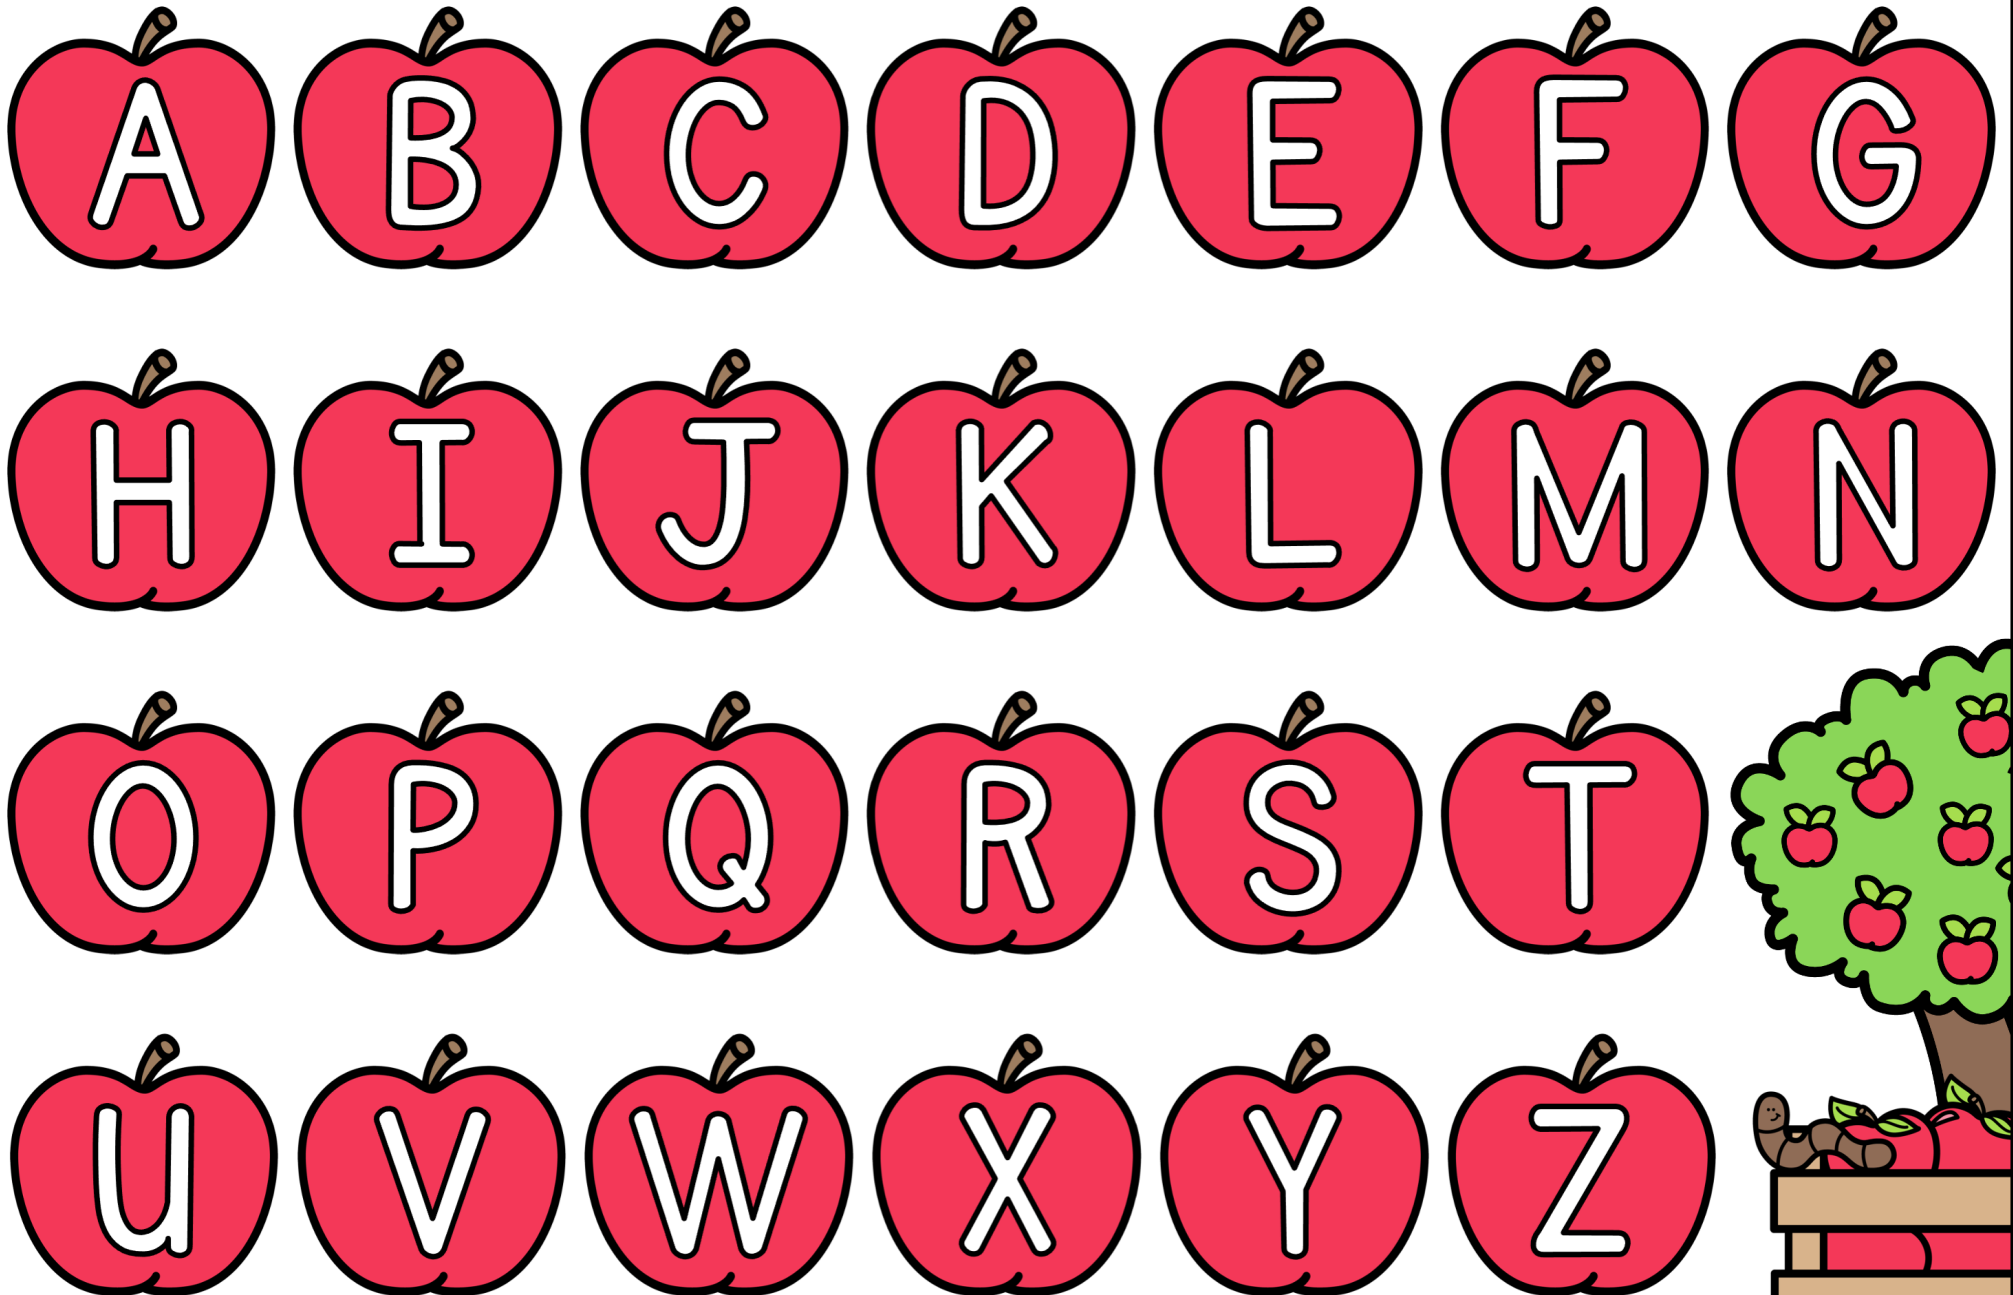

Students will select a magnetic letter and identify the letter name or letter sound. They will find a matching apple and place the magnetic letter on top. They will continue until all the apples have been covered.

You could also use this activity in a small group adult-led station. Simply call out a letter or make a letter sound and have students use a mini eraser or plastic math cube to cover the corresponding letter or picture.
