Literacy Centers: CVC Words

Mini Eraser Words: To prepare this activity print, laminate, and cut apart the activity cards. Print the recording sheet. Students will need mini erasers or small manipulatives {such as plastic math cubes} for this activity.

Students will select an activity card and use mini erasers to build the word. They will find the matching picture on the recording sheet and write the CVC word.

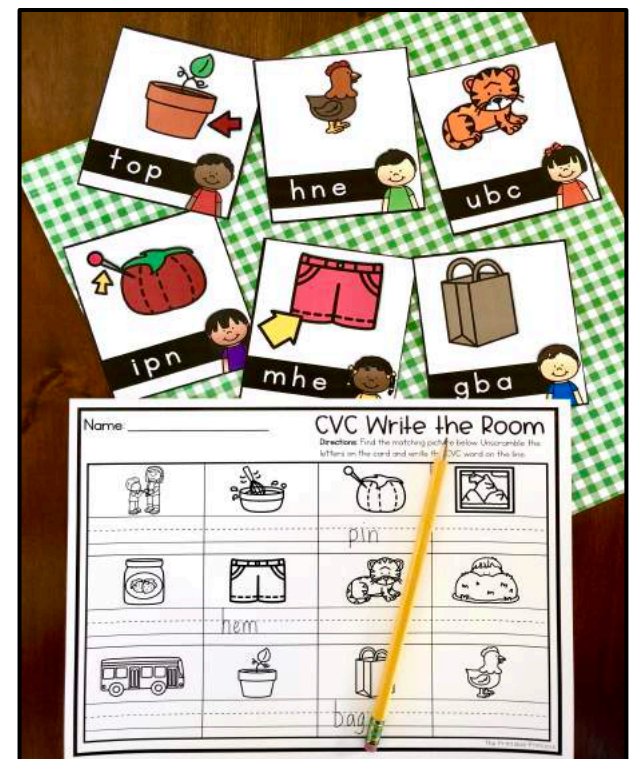

Poppin' CVC Words: Print, cut, and laminate the activity cards. Print the recording sheet. Students will need snap cubes or small erasers for this activity.

Students will select a card and say the name of the picture to determine the beginning, middle, and ending sound. They will place snap cubes or small erasers on the card to show the letters that spell the word. They will match the number on the card to the number on their paper and write the word.

Write the Room: To prepare this activity print, laminate, and cut apart the picture cards. Print the recording sheet. You can place the cards around the room for students to walk and find the cards. Or have students complete this activity at a table or station.

Students will select a picture card and unscramble the letters to spell a CVC word. They will find the matching picture on their paper and record the CVC word.

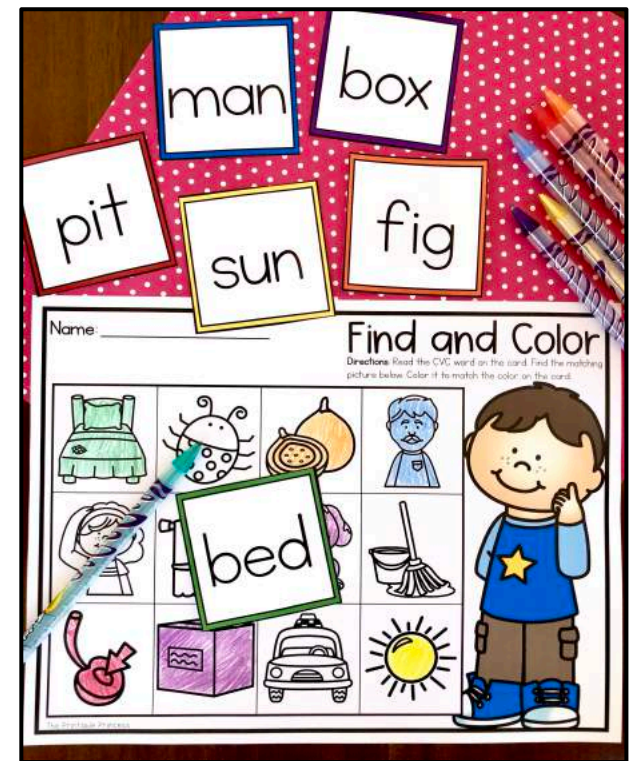

Find and Trace: To prepare this activity print, laminate, and cut apart the picture cards. Print the black and white recording sheet. Students will need color pencils or markers for this activity.

Students will select a picture card and identify the beginning, middle, and ending sound. They will find the matching CVC word on their paper and trace it to match the color on the card.

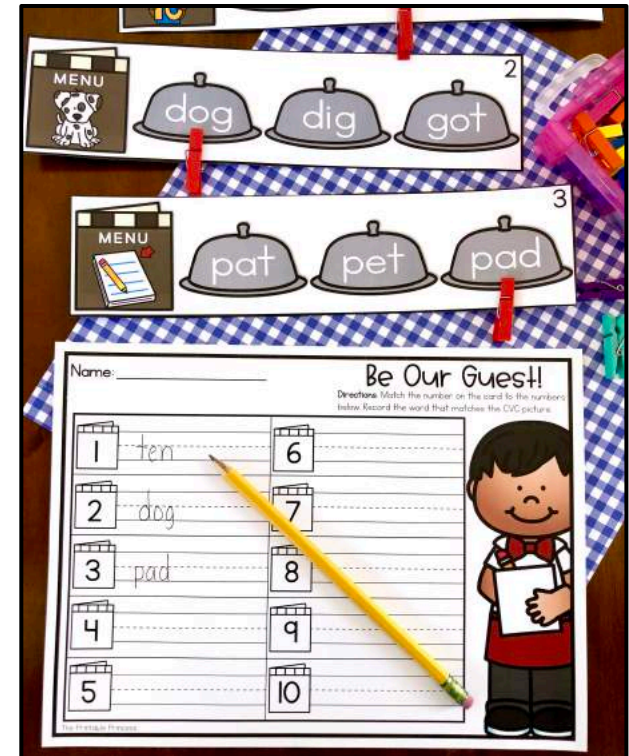

Find and Color: To prepare this activity print, laminate, and cut apart the CVC word cards. Print the black and white recording sheet. Students will need crayons for this activity.

Students will select a word card and read the CVC word. They will find the matching CVC picture on their paper and color it to match the color on the card.

Be Our Guest: To prepare this activity print, laminate, and cut apart the activity cards. Print the black and white recording sheet. Optional: You can have students use a clothespin to clip their answers.

Students will select a card. They will identify the picture on the left. They will read the three CVC words to determine which one matches the picture. They'll match the number on the card to the number on their paper and write the corresponding CVC word.

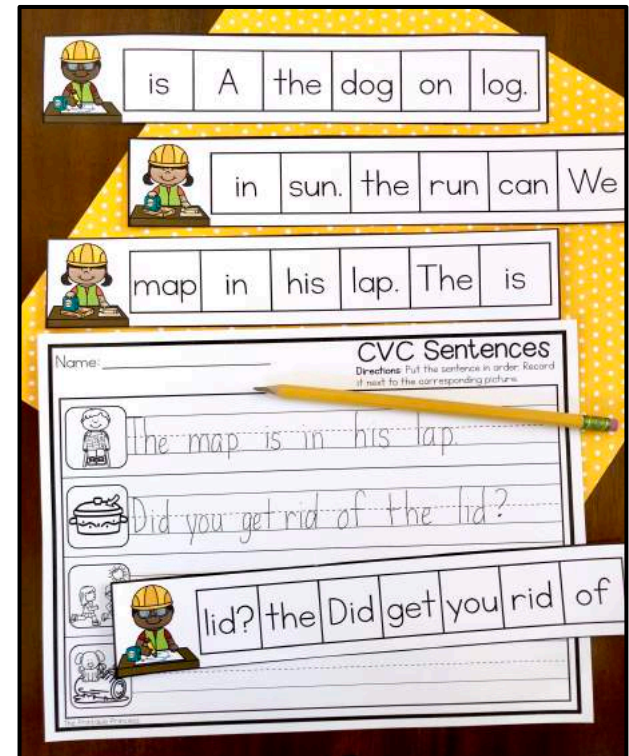

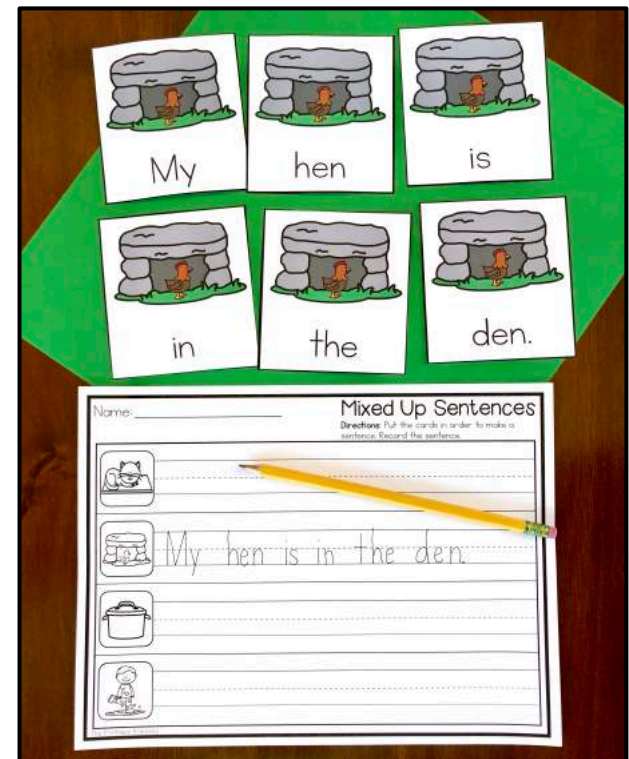

Mixed Up Sentence Set 1 and Set 2: To prepare this activity print the activity cards, laminate, and cut apart the picture cards. Print the recording sheet.

Students will select a set of cards with the same picture. They will put the cards in order to make a complete sentence. To record their work, they will find the matching picture and record the sentence on the line.

CVC Sentence: To prepare this activity print, laminate, and cut apart the sentence cards. Print the recording sheet.

Students will select a sentence card. They will unscramble the words to make a complete sentence. They will find the picture that matches the sentence. They will record the sentence on the line next to the matching picture.

Read and Draw: To prepare this activity print, laminate, and cut apart the sentence cards. Print the recording sheet.

Students will select a sentence card and read the sentence. They will match the number on the card to the number on their paper. They will draw a picture to illustrate the sentence.

Roll and Trace: To prepare this activity print the cube template and put it together or use the cards to slide in a pocket cube. Print the black and white recording sheet. Students will need red, orange, yellow, green, blue, and purple crayons, color pencils, or markers for this activity.

Students will roll the cube and identify the picture. They will find the corresponding CVC word on their paper and trace it to match the color-coded circle. They will continue until all of the words have been traced.

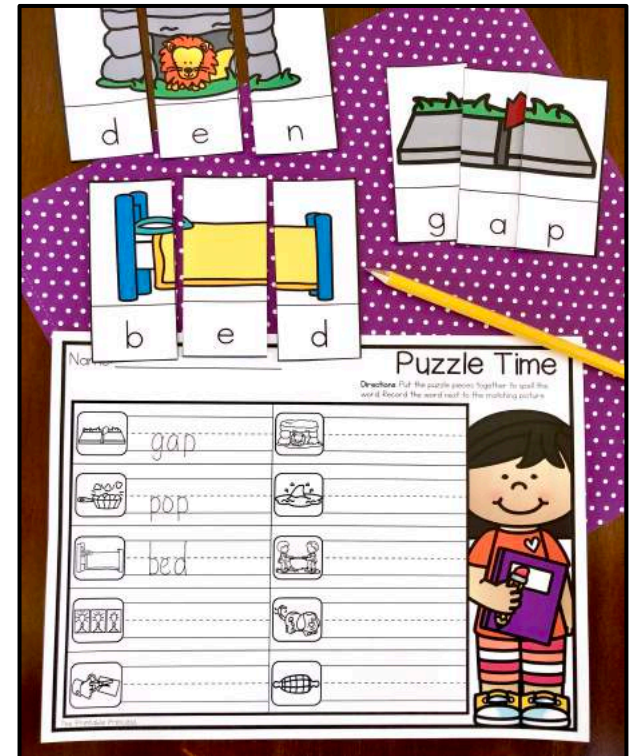

Spin and Color: To prepare this activity print, laminate, and cut the spinner. Print the black and white recording sheet. Students will need a paperclip and a pencil to make a spinner.

Students will spin the spinner and read the CVC word. They will find a corresponding picture on their paper and color it to match the color-coded circle. They will continue until all of the pictures have been colored.

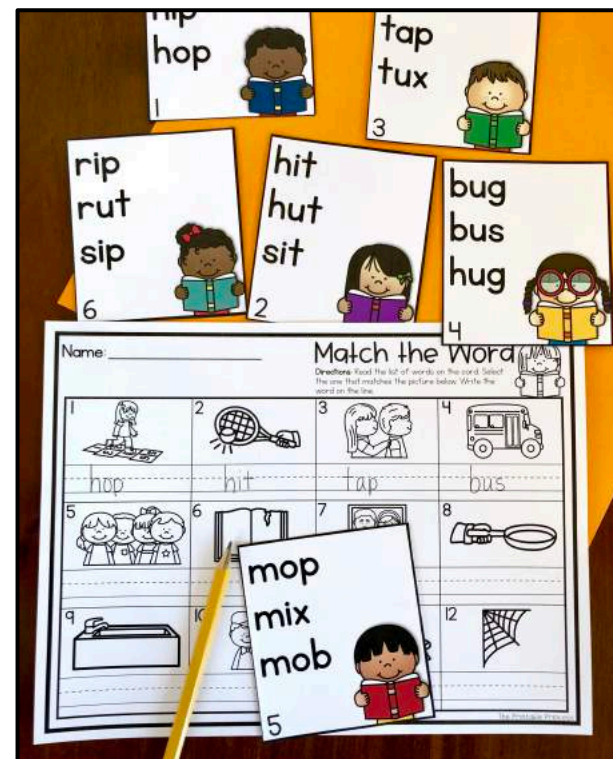

Puzzle Time: To prepare this activity print, laminate, and cut apart the puzzles. Each puzzle should be cut into three pieces. Print the black and white recording sheet.
