About this resource...

There are 36 no-prep CVCe Word Search pages included in this activity. There are three types of searches included: same word family, same vowel/mixed word family, and mixed vowel practice.

Long A: page 4 – 11

Long I: page 12 – 19

Long O: page 20 – 25

Long U: page 26 – 28

Mixed Practice: page 29 - 39

To prepare this activity just print! Students will read the "Word List", located on the left side of the mat. They will find each of the words listed and circle, color, or highlight the word. Finally, they will record the corresponding CVCe word under the matching picture at the bottom.

For fast finishers there is a challenge statement on the bottom of each page. Students will select one word and turn the paper over on the back and use the word in a sentence.
