K.CC.A.3, K.CC.B.4, K.CC.B.5

Christmas Counting

Prep Work: Print, cut, and laminate activity cards and "I Can" visual directions page. Print the recording sheet "Christmas Counting." There are two sets of cards included. Cards with a red background focus on numbers 10-15. Cards with a green background focus on numbers 16-20. Both sets of cards use the same recording sheet.

Directions: Students will select a card and count the number of objects on the card. They will match the picture on the card to their paper and record their answer.

Additional practice page to help reinforce skill

Answer Key: for both activities

The Printable Process

K.CC.A.2

The Faces of Ten Frames

Prep Work: Print, cut, and laminate activity cards and "I Can" visual directions page. Print the recording sheet "The Faces of Ten Frames."

Directions: Students will count to determine the number that is represented on the ten frame. They will match the letter on the card to their paper in the first ornament. They will write the number represented on the ten frame and count on to fill in the next two numbers that come after.

K.CC.A.1

A Carol of Numbers

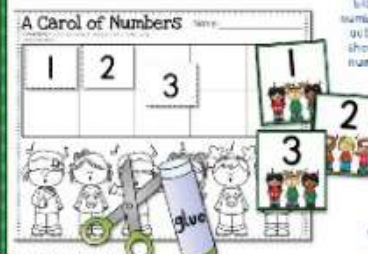

Prep Work: Print, cut, and laminate number cards (to 10 or 20), "I Can" visual directions page. Print the recording sheet "A Carol of Numbers" and numbers for students to cut and glue (2 recording sheets included - to 10 or 20). Note: Also included are two blank cards, if you would like to use this as a pocket chart activity for students to guess the hidden number.

Directions: Students will put the number cards in order. To show their work, they will cut out the numbers and glue them on their recording sheet.

Additional practice page to help reinforce skill. Or use as recording sheet.

Includes: number lines, blank cards to cover numbers for pocket chart activities, 2 recording sheets, and "cut apart" numbers for recording sheets.

The Printable Process

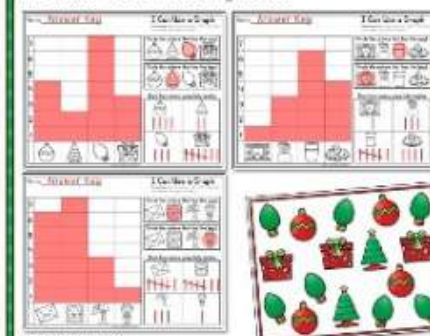

K.CC.B.1, K.CC.B.5, K.MD.A.2, K.MD.B.3

Christmas Graphing

Prep Work: Print and laminate picture mats (3 included) and "I Can" visual directions page. Print and complete recording sheet. You could also use these with a document camera or projector and complete them as a whole group.

Directions: Students use the information on the picture mat to graph and fill in the information on the recording sheets.

Additional practice page to help reinforce skill

The Printable Process

K.CC.A.3, K.CC.B.4

Play Dough Mats

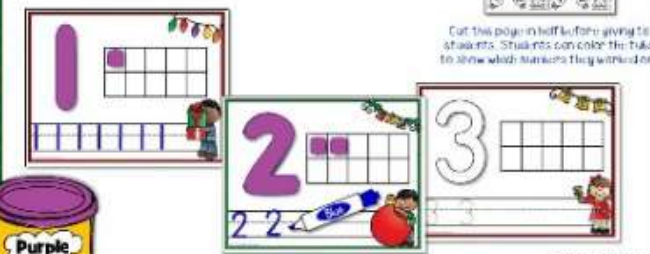

Prep Work: Just print, laminate, grab some play-doh and dry erase markers and you're ready to go. Print the optional recording sheet, if using, for students to record the mats they worked on.

Directions: Students will select a work mat and use the play dough to form the number and show the number on the ten frame. They will use a dry erase marker to practice writing the number on the dotted line below.

Additional practice page to help reinforce number writing

Cut this page in half before giving to students. Students can color the tabs to show which markers they worked on.

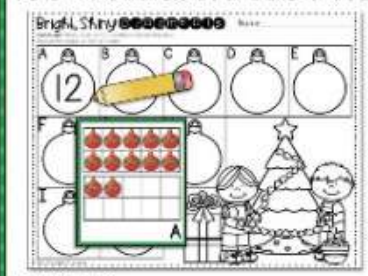

The Printable Process

Bright, Shiny, Ornaments

Prep Work: Print, cut, and laminate activity cards, "I Can" visual directions page. Print the recording sheet "Bright, Shiny, Ornaments." Note: You could also use these cards with the recording sheet "The Faces of Ten Frames" (from the previous activity) for students who need a challenge.

Directions: Students will match the letter on the card to their paper. They will count to determine the number represented by the ten frame and record their answer on the paper.

Additional practice page to help reinforce skill

The Printable Process

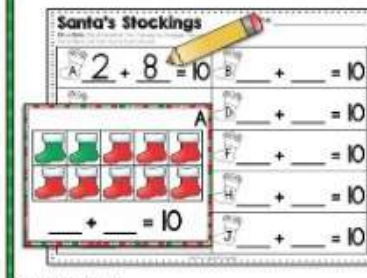

K.OA.A.1

Santa's Stockings

Prep Work: Print, cut, and laminate activity cards, "I Can" visual directions, and "Santa's Stockings" recording sheet.

Directions: Students will match the letter on the card to their paper. They will create an addition sentence equal to ten by counting the green and red stockings. They will record the addition sentence on their paper.

Additional practice page to help reinforce skill

The Printable Process

Elf Endings

Prep Work: Print, cut, and laminate picture cards and "I Can" visual directions page. Print the recording sheet "Elf Endings".

Directions: Students will match the number on the card to their paper. They will identify the ending sound and record it on their paper.

Picture Names: spoon, crab, blender, train, fan, soap, sweater, frog, crown, drill, scarf, fruit, dress, snail, cloud

Write the Room

Prep Work: Print, cut, and laminate word cards, "I Can" poster and print a recording sheet.

Directions: Place the cards in various spots around the classroom. Students will walk around the room and as they find the cards, they will record the word on the recording sheet. (Be sure to use the recording sheet titled "Write the Room".)

Note: If "Write the Room" isn't used in your classroom, you could also put the picture cards at a station and have students use the recording sheets titled "Write the Word". You would still cut and laminate picture cards. Students would find the picture card that matches and record it on their paper.

2 options for recording sheets: "Write the Room" and "Write the Word"
