- ✓ One more & one less
- ✓ Subitizing

the benefits of using MORNING TUBS

Consistency

Morning tubs give students a consistent, predictable and organized routine to follow as they enter the classroom each morning.

Soft start

Students need time in the mornings to warm up their brains. With morning tubs, they can ease into the day with hands-on activities.

Key skills

Students gain confidence in key math and literacy skills when using morning tubs. They also help students build independence.

TEACHER REVIEWS

"I love the variety of language arts and math activities included in this packet, and the illustrations are so colorful and cute! I appreciate how interactive the games are and the clear directions that are included."

-Tracy P.

"These activities are so fun! Build a Gingerbread house is a favorite. So many cute ways to practice a variety of skills. My students are always engaged." -Danielle T.

"These morning centers were AWESOME! My students loved them and the fact that there were all different activities and skills to practice. I used these instead of morning worksheets and I loved seeing how engaged students were in the morning!" -Elizabeth R.
