15

NATH ACTIVITIES

Count and Build Towers to 10

Prep Directions: Print and laminate the activity mats. There are two levels ncluded: numbers to 10 and 20. Students will need mini erasers or plastic

Activity Directions: Students will determine the number represented on the mat. They will either count out math manipulatives like mini erasers to show the number – or – use math cubes to build a tower to show the number.

13

Roll and Remove

Prep Directions: Print and laminate the game oard – 2 included, Students will need a dot cube, game board, and 20 manipulatives to over their game board.

Activity Directions: Before the game begins, players will place each of their 20 manipulatives on their game mat, one per heart. **To Play:** Players will take turns rolling the dot cube and counting to determine the number they rolled. They will remove that nany manipulatives from the game board Players will continue to take turns rolling and emoving the manipulatives until a player clears their board. To win, the player must ro the exact number needed. For example, if a player has one left on their game board, hey must roll a one to win the game.

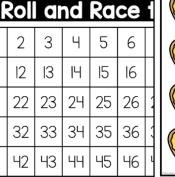

Count and Build To

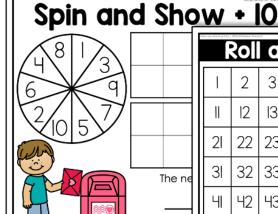

- Counting & building to 10 and 20
- Matching numbers & quantities up to 20
- Addition
- Subtraction
- Adding 10 to make teen numbers
- One more & one less

the benefits of using

MORNING TUBS

Consistency

Morning tubs give students a consistent, predictable and organized routine to follow as they enter the classroom each morning.

Soft start

Students need time in the mornings to warm up their brains. With morning tubs, they can ease into the day with hands-on activities.

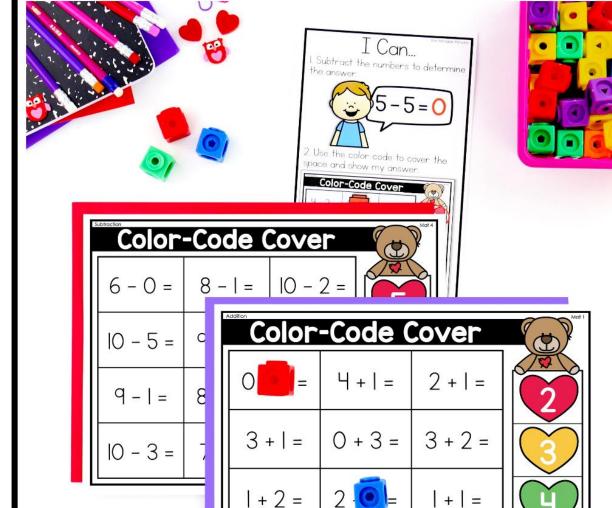

Key skills

Students gain confidence in key math and literacy skills when using morning tubs. They also help students build independence.

TEACHER REVIEWS

1 + 3 =

"My students loved these games and activities. The printing and prep took time, but was easy and well worth it! We used these the entire month even after Valentine's day!" -Shelly M.

"I used these as independent centers and the kids love them! The activities are easy for them to complete independently without help and were so easy to prep. I also love how engaged my students are when they first come in!" –Jaclyn S.

"These have been a lifesaver. These activities are easy to prepare, and the kiddos are engaged for the whole time. The centers are easy to clean up and put away and they look forward to doing them in the mornings." -Kristen R.
