TEACHER REVIEWS

"Can I just say this is the BEST sub plan I have ever bought. I have bought quite a few and was not as pleased with them. I needed to take off after only being in school for one week and was trying to find something not too difficult. Not only could I find something PERFECT for my students' abilities, I found many resources that will be very helpful throughout the year. I will definitely purchase more."
-Lisa E.

"I am currently using these emergency sub plans. It was so nice not having one more thing to do at the beginning of the school year." -Kara F.
