

6 Pack Centers

Fall

Includes:

3 literacy centers
3 math centers
6 practice pages

Created by The Printable Princess

Cover the Sound

Prep Work: Print, cut, and laminate the beginning sound cards and mats (two color coded sets are included). Print and laminate the "I Can" visual directions page. Print the corresponding recording sheet "Cover the Sound" (two are included). Students will need snap cubes for this activity.

Directions: Students will say the name of the picture to determine the beginning sound. They will find the matching letter on the mat and cover it with a snap cube. They will continue until the mat is full. On the recording sheet, they will write the beginning sound of each picture to show their answers.

Name: _____

Directions: Say the name of each picture. Record the letter to show the beginning sound on the line.

Acorns Everywhere

Prep Work: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print the recording sheet "Acorns Everywhere".

Note: Students will need snap cubes or other small manipulatives for this activity.

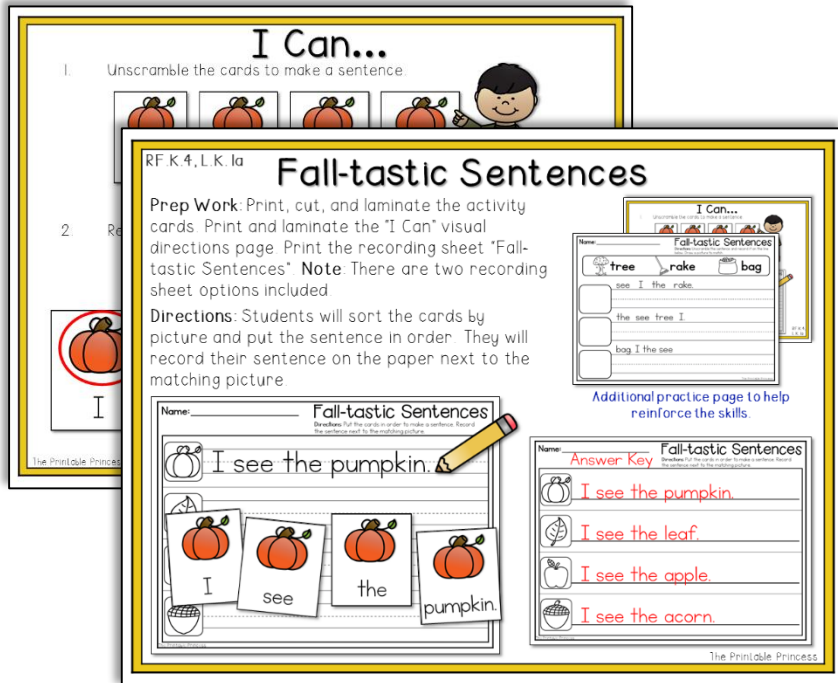

Directions: Students will identify the uppercase letter on the card and put a manipulative on the acorns that show the matching lowercase letter. Students will record the uppercase and lowercase pair.

Fall-tastic Sentences

Prep Work: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print the recording sheet. (There are two recording sheet options included.) An additional "no-prep" practice page is included to help reinforce skill.

Directions: Students will sort the cards by picture and put the sentence in order. They will record their sentence on the paper next to the matching picture.

Name: _____

Fall-tastic Sentences

Directions: Put the cards in order to make a sentence. Record the sentence next to the matching picture.

	I see the pumpkin.
	
	
	

	I
	see
	the
	pumpkin.

More Apples Please

Prep Work: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Directions: Students will count each set of apples to determine which set shows more. (You can use clothespins to have students clip their answers.) They will match the letter on the card to the letter on the paper. On the large apple, they will record the number that was greater and color it to match the apple set.

Five Fall Leaves

Prep Work: Print, cut, and laminate the activity cards and leaf pieces. (Blank mats are also included for small group or extra practice.) Print and laminate the "I Can" visual directions page. Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Note: You could also use snap cubes or small erasers for this activity.

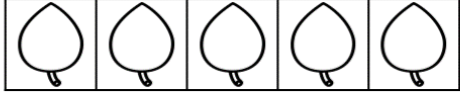

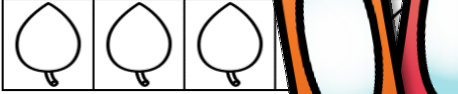

Directions: Students will use the leaf cards to make five. They will show their work on the recording sheet by coloring the leaves to show how they made five.

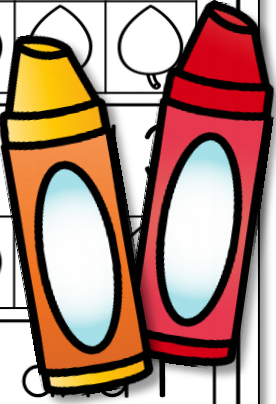

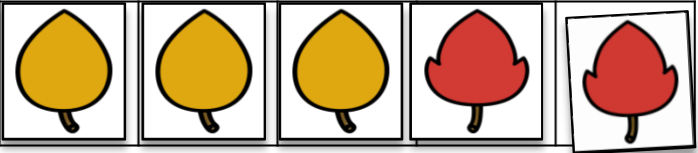

Name: _____

Five Fall Leaves

Directions: Color the leaves to show a way to make 5.
