# About this packet...

This packet includes:

- 10 themed number matching cards
- 1 "Make a Match" work mat
- 2 number reference pages
- 4 optional recording sheets

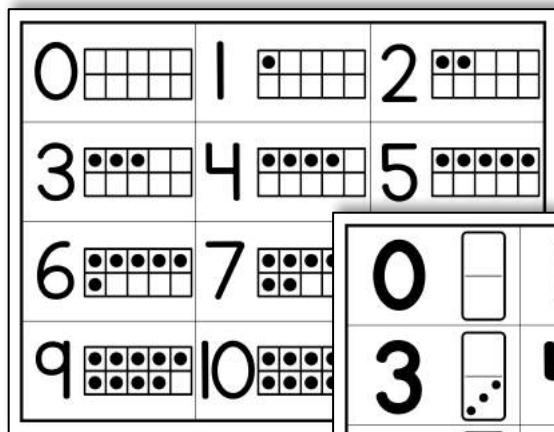

To prepare this activity cut apart and laminate a set of the number cards. Print and laminate the work mat and reference page, if using. Print a recording sheet, if using.

Students will count the objects on the cards and match it to the corresponding number card. Recording sheets are included to hold students accountable. For a different activity, students can turn the cards over and play a memory matching game. This activity also works great in a pocket chart!

# Make a Match

Students will count the objects on the card and match it to the corresponding number card.

Optional student reference pages included.
