Change the Sound

Teacher Prep: Print, cut, and laminate the activity cards. Print and laminate the “I Can” visual directions page. Print the recording sheet. An additional “no-prep” practice page is included to help reinforce skill.

Student Directions: Students will read the CVC word at the top of the card. They will change the beginning sound to match the CVC picture on the sun. They will record the new CVC word on their paper.

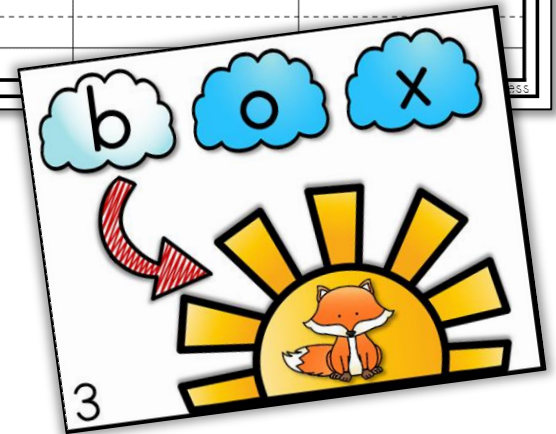

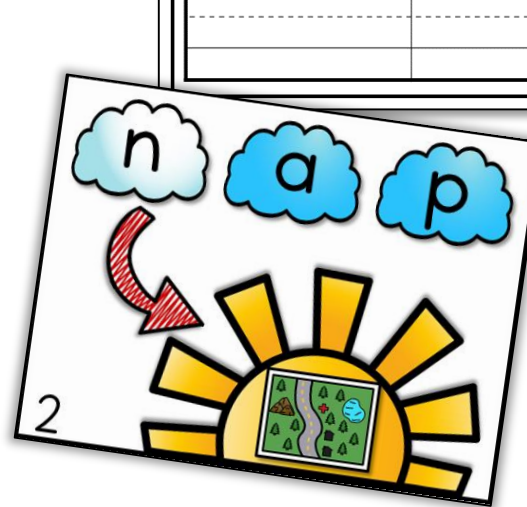

Answer Key:

Name: _____ Change the Sound
Directions: Read the CVC word in the clouds. Change the beginning sound to match the picture on the sun. Write the new word on the lines.

1	2	3	4
tub			
5	6	7	8
9	10	11	12

Make a Word

Teacher Prep: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions. Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Student Directions: Students will blend each onset and rime to determine the real word. They will record the real word on their paper and draw a picture to illustrate the word.

I Can...
1. Determine which ending makes a real word.

Make a Word
Prep Work: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print the recording sheet "Make a Word".
Directions: Students will select an activity card and blend each onset and rime to determine the real word. They will record the real word on their paper and draw a picture to illustrate the word.

Secret CVC Words

Teacher Prep: Print, cut, and laminate the activity cards, picture cards, and alphabet chart. Print and laminate the "I Can" visual directions. Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Student Directions: Students will identify the beginning sound of each picture to spell a CVC word. They use dry erase markers or magnetic letters to spell the word on the activity mat. They will match the picture card to the CVC card and record the CVC word on their paper.

I Can...
Identify the beginning sound of each picture to spell a CVC word, then match the CVC picture to the card.

Secret CVC Words
Prep Work: Print, cut, and laminate the activity cards and picture cards. Print and laminate the "I Can" visual directions page and "Beginning Sound Alphabet Chart". Print the recording sheet "Secret CVC Words".
Directions: Students will identify the beginning sound of each picture to spell a CVC word. They use dry erase markers or magnetic letters to spell the word on the activity mat. They will match the picture card to the CVC card and record the CVC word on their paper.

The Printable Princess

Ten Frame Garden

Prep Work: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Directions: Students will determine the number represented by the ten frame. They will record the number in the square with the flower and count back to fill in the numbers that come before.

Gone Buggy

Teacher Prep: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions. Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Student Directions: Students will count to determine the number represented by the bug jar/bugs. They will match the letter on the card to their paper and record the addition equation on their paper.

I Can...

1. Count to determine the number represented by the jar and bugs.

Gone Buggy

Prep Work: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print the recording sheet "Gone Buggy".

Directions: Students will select an activity card and count to determine the number represented by the bug jar/bugs. They will match the letter on the card to their paper and record the addition equation on their paper.

Answer Key:

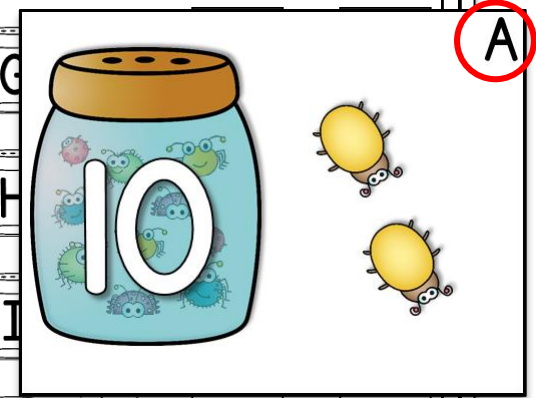

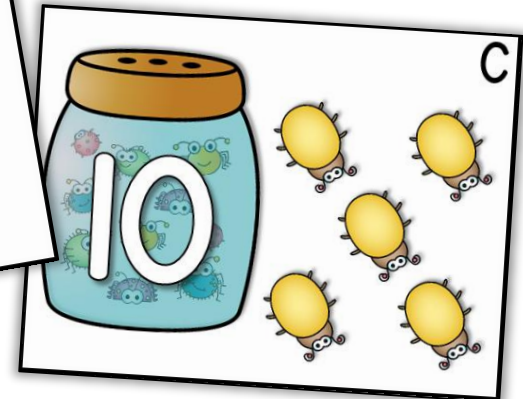

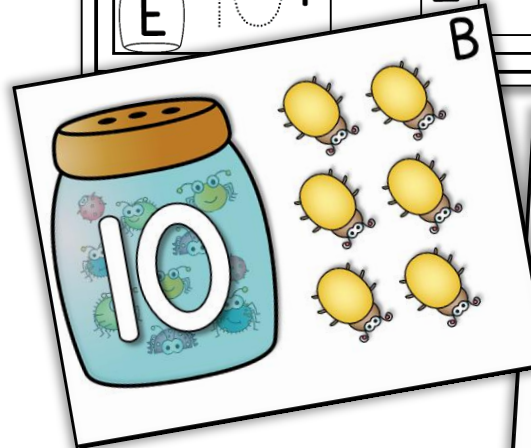

A	10 + 2 = 12	F	10 + 7 = 17
B	10 + 6 = 16	G	10 + 1 = 11
C	10 + 5 = 15	H	10 + 4 = 14
D	10 + 9 = 19	I	10 + 8 = 18
E	10 + 0 = 10	J	10 + 3 = 13

Name: _____

Gone Buggy

Directions: Match the letter on the card to the letters below. Write an addition equation using the jar and bugs on the lines below. Solve and record.

A	10 + 2 = 12	
B	10 + =	
C	10 + =	
D	10 + =	
E	10 + =	
J	10 + =	

Froggy Bonds

Teacher Prep: Print, cut, and laminate the activity cards. Print and laminate the "I Can" visual directions page. Print, cut, and laminate frog counters, if using (not pictured). Print the recording sheet. An additional "no-prep" practice page is included to help reinforce skill.

Student Directions: Students will solve to determine the missing part from the number bond. They will match the letter on the card to their paper and record the entire number bond.
