Digging Up Digraphs

Spin the spinner and identify the digraph sound.

Use a game piece to cover a picture with the matching beginning digraph sound.

If another player has a game piece on that space, you can bump them off.

If you have a game piece on that space, you can add another on top to "lock" your position. Then your game piece cannot be bumped off.

First player to use all their cubes is the winner.

Flip and Find

Prep Directions: Print and laminate the

cob

What's included?

MATH ACTIVITIES

Show the Tens & Ones

Prep Directions: Print and laminate the activity mats (an optional cover is included). You can print and put these on a metal ring for easy storage. Students will need base ten blocks or other manipulatives for this activity.

Activity Directions: Students will identify the number on the mat. They will use manipulatives to show the tens and ones in the corresponding columns.

13   26

I Can...

1. Identify the number on the card.

2. Use ...
and ...

Solve and Cover

1	4	6	5	🍉
6	🍉	3	0	7
	🍉	7		10

Solve and Cover

Prep Directions: Print and laminate the "Solve and Cover" mat. There are two options of "I Can" cards included. Print, cut, and laminate the math bond cards. Students will need mini erasers or plastic cubes for this activity.

Activity Directions: Students will solve to determine the number that is missing on the card. They will find the missing number on the "Solve and Cover" mat and cover the number.

Solve and Cover: Summer

| 1 | 4 | 🍦 | 5 | 8 |
| 6 | 🍉 | 3 | 0 | 7 | 4 |

I Can...

1. Solve to determine the number that is missing ...

2. Find ...
on the ...

Number BUMP

10 + 6	1 ten 9 ones	[ten frames]
1 ten 7 ones	[ten frames]	10 + 8
[ten frames]	1 tens 6 ones	10 + 7

Spin the spinner and identify the number

Use a game piece to cover a space that equals the number.

If another player has a game piece on that space, you can bump them off.

If you have a game piece on that space, you can add another on top to "lock" your position. Then your game piece cannot be bumped off.

First player to use all their cubes is the winner.

Consistency
Morning tubs give students a consistent, predictable and organized routine to follow as they enter the classroom each morning.

Soft start
Students need time in the mornings to warm up their brains. With morning tubs, they can ease into the day with hands-on activities.

Key skills
Students gain confidence in key math and literacy skills when using morning tubs. They also help students build independence.

fun

★★★★★

"Once printed and prepped these provided my students with engaging learning practice games and activities and allowed me to work with students individually. Strongly Recommend!" –Shelly M.

"My students love these activities for our morning work time! They are hands on and engaging. I also use some of them for my fast finisher tubs that students can choose when they have completed other work."–Lorraine J.

"Love this resource for centers! My students are engaged with each activity. I love how there is differentiation available within the activities!" –Hannah O.

Check out the

MORNING TUBS BUNDLE

★★★★★

"Offers a wide range of skills and differentiated activities. The activities are engaging and simple to implement. It is very print and go. I use them in my morning bins and with differentiated small groups." –Katie W.

Click the picture below to check out the Kindergarten Morning Tubs bundle, which includes 9 products full of hands-on activities that can be used throughout the year.
