

MORNING TUBS

MADE FOR KINDERGARTEN

Perfect for November with 25 activities to practice math, literacy and fine motor skills

Each activity has "I Can" visual direction cards to promote independence

Includes editable sight word activities so you can add your own words

Easy to prep, just add plastic cubes, magnetic letters and mini erasers

What's included?

LITERACY ACTIVITIES

Bump Games

Prep Directions: Print and laminate the spinner. Students will need a plastic spinner or a paperclip and a pencil. Students will also need 12 plastic cubes in the same color.

Activity Directions: Students play with a partner. Players will take turns spinning the spinner and covering a corresponding ending sound picture with a plastic cube.

If a player rolls the same sound they can "BUMP" the other player off the space. If the player rolls the same sound again, without being bumped off, they can add a second cube to "lock" the space. Locked spaces cannot be bumped. The first player to use all their cubes is the winner.

Farmer Turkey BUMP

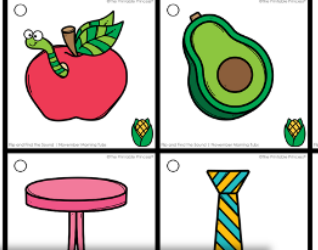

Flip and Find Beginning Sounds

Prep Directions: Print and laminate the activity mats. Print, cut, and laminate the beginning sound cards. (3 activities are included.) You can punch a hole and store the cards on a metal ring. Students will need plastic cubes or mini erasers for this activity.

Activity Directions: Students will select a card and identify the beginning sound. They will find the corresponding letter on the mat and cover it using a plastic cube or mini eraser.

MATH ACTIVITIES

I Can...
1. Spin the spinner and identify the number.
2. Show the number and one less on the mat.

Spin and Show: Numbers to 10
Show one less.

Count & Cover 10 Frames
Prep Directions: Print and laminate the activity mat. Print, laminate and cut apart the ten frame cards (There's two for each number). Students will need mini erasers or plastic linking cubes.
Activity Directions: Students will determine the number represented by the ten frame. They will find a corresponding number on the activity card and cover it.

How to Make 10
Prep Directions: Print and laminate the activity mats - there are two differentiated versions included. Students will need mini erasers or plastic cubes.
Activity Directions: In each space, determine the way to make 10.

Count and Build
Prep Directions: Print and laminate the activity mats. Students will need plastic cubes for this activity.
Activity Directions: Students will determine the number represented by the ten frame and build the number with cubes.

the benefits of using **MORNING TUBS**

Consistency

Morning tubs give students a consistent, predictable and organized routine to follow as they enter the classroom each morning.

Soft start

Students need time in the mornings to warm up their brains. With morning tubs, they can ease into the day with hands-on activities.

Key skills

Students gain confidence in key math and literacy skills when using morning tubs. They also help students build independence.

TEACHER REVIEWS

"My kindergarteners get so excited over the cute fall themes! Lots of fun and engaging activities with tasks simple enough to provide success while still providing a meaningful learning experience. Terrific resource!"—D M.

"I am a huge fan of all of your materials! I always use every resource. There is prep, but those pieces always make them way more engaging than a worksheet. Plus, they are always cute and great for the theme for November." —Jenna C.

"My students LOVE these activities. I love how they incorporate fine motor practice along with academic skills. They are a great way for my students to start their days."
—Jennifer S.
