# About this resource...

These school supply themed classroom awards were designed to be used at the end of the year to celebrate your students and their accomplishments.

This resource includes 24 school supply themed classroom awards that can be printed in color or in black and white. Also included is an award assignment list to help you keep track and thoughtfully assign the best fitting award to each student.

To use these classroom awards simply print, write the student's name, sign your name and date. For long lasting durability, print on cardstock and laminate after signing. An editable version is also available if you'd like to type the information on the award.

These school supply themed awards were designed for the end of the year, but you can print the pack and store to award students throughout the year for positive behavior. Encourage creativity in your students by printing the black and white awards for them to color.
