

# SIGHT WORD READERS

## 40 FOLDABLE BOOKS

I have one hat.

I have one mug.

# About this resource...

This resource includes 40 mini books with pre-primer sight words. These mini books feature a predictable text which will help developing readers feel successful. They are perfect to have students take home and share with their families.

Students will fold the books in half, long ways (I call this a hotdog fold because the paper is long, like a hotdog). Next, they will fold the paper in half again (I call this the hamburger fold). There are lines on the books to help students with folding.

Students will write their name on the front cover. On the inside pages, students will color the pictures and read the text in their books.

You can also have students use a yellow crayon or highlighter to focus on a particular sight word.

On the front cover you will see three stars. Students can color a star each time they read their book.
