About this resource...

This no prep activity includes a page for each of the 40 pre-primer sight words. The sight word is used in 5 sentences on each page.

Simply print the page(s) you want your students to use. Students will need pencil, crayons, markers and/or colored pencils.

These pages work great for introducing sight words, small group practice, or practice at home.

Students will read the sentences and write the sight word on the spaces. They will also color the stars each time they read the sentences. Students can use the word bank at the top of the page to help them read the CVC words.

These are great to print and bind together as a booklet for your students or laminate to reuse in centers. Students can also rainbow write the sight words for extra practice.
