TEACHER REVIEWS

"My students used these during independent writing time. Love the pictures on the side and the reminders on the bottom of the worksheets. Students liked having writing prompts for the days when thinking of something to write about was challenging." -Christine B.

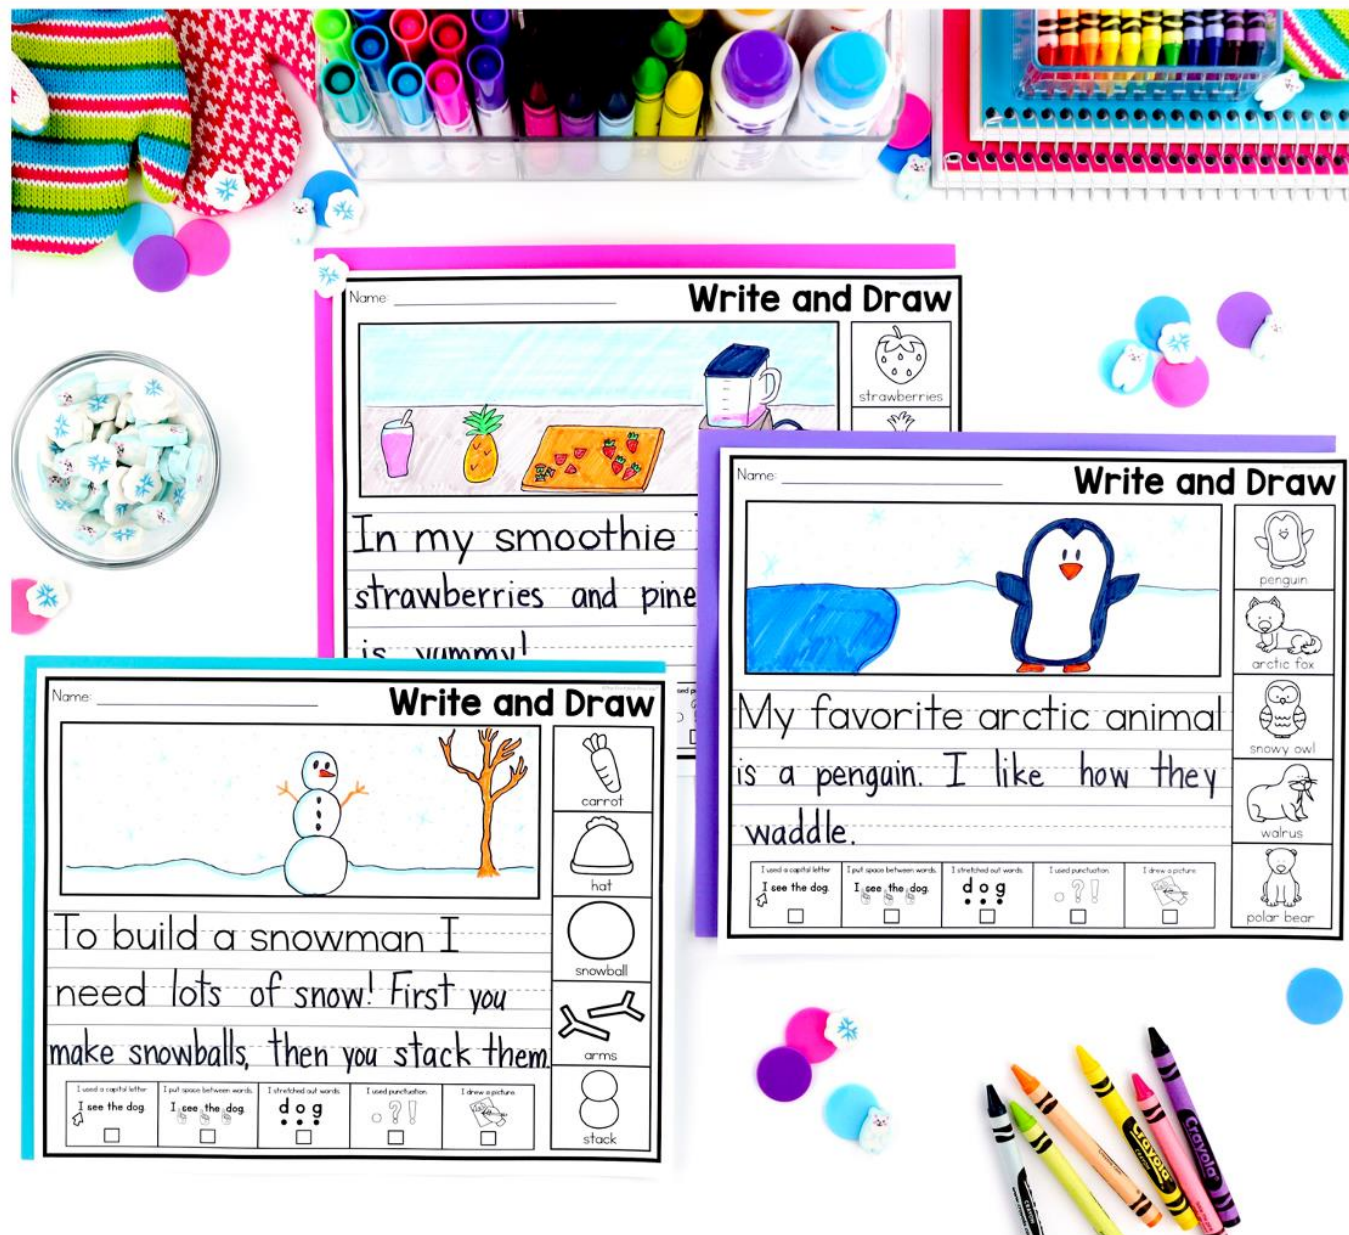

"My students' writing skills have improved so much since starting these prompts. They ask for one almost every day and it excites me. Thank you!" -Brooke B.

"I love the checklist & the pictures along the side of the page to help my students generate ideas when writing independently! This has been a tremendous help to them." -Brianna F.
