# TEACHER REVIEWS

"These are fantastic! I love the scaffolding between each of the three levels- fill in the blank, tracing with fill in the blank, and no scaffolding. Plus having the vocabulary words on the side is so helpful!" -Claire C.

"This resource is so wonderful for working with my small groups. The students enjoy sharing their writing with the class and with their families." -Casonya R.

"Writing can be a struggle in kindergarten, but not with write and draw! My students enjoy these prompts and are more confident in their writing." -Alyssa G.
