Gingerbread	<a href="#">124 - 128</a>

# About this resource...

The Write the Room resource includes 25 seasonal and holiday themes. To prepare this activity you'll need to print, cut, and laminate the picture cards. Print the corresponding recording sheets.

There are three versions of the recording sheets included. Versions include recording sheets with handwriting lines, blank spaces, and a dotted tracing option.

To prepare this activity, place the cards in various places around the classroom. Students will walk around the room to find the vocabulary cards. Then, they will find the matching picture on their recording sheet. They will copy the word from the card and write it on their paper.

You can also have students complete this activity at a center, without walking around the room.

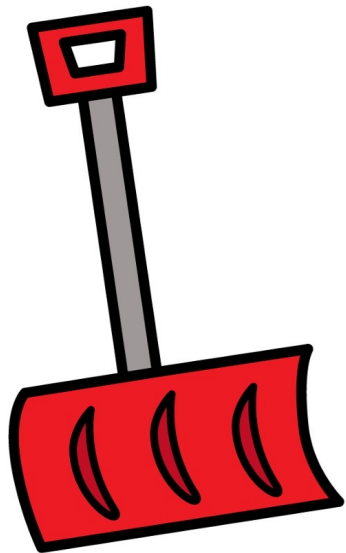

You can also use this activity as a word work station. Students can use magnetic letters or letter tiles to build the words on the vocabulary cards.

**For tips and ideas on using Write the Room in your classroom, visit these blog posts:**
