Name: _____

Earth Day Words

Directions: Find the card that matches each picture below. Write the name of the picture in each box.

 Earth	 trash
	 water
	 sun
 compost	 recycle
	

"I use these every single week. My students absolutely love it! I also find their writing is getting better as they practice!" -Melissa B.

"I printed and laminated many of these write the room activities to prep for the school year. I began using them in my classroom, and my students are loving it! I love how the process stays consistent throughout the school year so that as I change the themes the students will already know how to complete this activity." -Kelsey D.

"My students love using this. I will hide the words around the room and they get to go on a "scavenger hunt" to find each word. I also like that there's the option to trace or to copy the word." -Laura C.
